### 1. Project Introduction

#### Welcome to Donation Management System Website

- ❖ **Our Vision:** To create a supportive community where every donation, big or small, contributes to significant change.
  
- ❖ **What We Offer:**
  - A platform to discover and support
  
  - various donation-related Money and other things.
  
  - Transparency in how donations are utilized, ensuring every contribution makes a difference.
  
  - Updates and success stories from the projects you support.

### 2. Scope And Objectives of Project

**1. Streamline Donations:** Provide an easy-to-use platform where users can quickly and securely donate money to various causes and projects.

**2. Increase Accessibility:** Make it convenient for donors to support causes from anywhere at any time, using any device.

**3. Enhance Transparency:** Ensure that donors can see how their contributions are being used through regular updates and clear reporting.

**4. Foster Community Engagement:** Build a community of donors who are passionate about making a positive impact and encourage them to share and promote causes within their networks.

**5. Support a Variety of Causes:** Offer a diverse range of verified charitable projects and organizations, allowing donors to choose the causes they care most about.

## Donation Management System

**6. Boost Fundraising Efforts:** Help charities and non-profit organizations increase their fundraising capabilities by providing them with a powerful online platform.

**7. Encourage Recurring Donations:** Promote recurring giving options to provide sustained support to causes and projects.

**8. Provide Educational Resources:** Offer information and resources about charitable giving, the importance of philanthropy, and the impact of donations.

**9. Ensure Security and Trust:** Protect donor information and ensure that transactions are secure, building trust in the platform.

**10. Measure and Report Impact:** Track and report the impact of donations to show donors the tangible results of their generosity.

### 3. Tools And Technologies Used

#### Client-Side Requirements

| Front End Tools |
|-----------------|
| ▪ Edge          |
| ▪ Google Chrome |

#### Server-side Requirements

| Operating System | Windows                                                |
|------------------|--------------------------------------------------------|
| Front End Tools  | HTML,CSS,Bootstrap,GoogleChrome,javaScript,jQuery,AJAX |
| Back End Tools   | PHP                                                    |
| Editor           | VS Code                                                |
| Database         | MySQL                                                  |

### 1. HTML (HyperText Markup Language)

#### ❖ Features:

- **Semantics:** Uses tags to describe the structure and semantics of web content (e.g., <header>, <footer>, <article>).
- **Accessibility:** Supports accessibility features like ARIA (Accessible Rich Internet Applications) attributes.
- **Forms and Input:** Provides elements for creating interactive forms and handling user input.

#### ❖ Modern Practices:

- **HTML5:** Includes new elements for better structure and multimedia integration (e.g., <video>, <audio>, <canvas>).

### 2. CSS (Cascading Style Sheets)

#### ❖ Features:

- **Responsive Design:** Media queries allow styling for different devices and screen sizes.
- **Flexbox and Grid Layouts:** Advanced layout techniques for creating complex designs.
- **Preprocessors:** Tools like SASS and LESS add additional functionality and modularity to CSS.

#### ❖ Modern Practices:

- **CSS Variables:** Custom properties for reusable values.
- **CSS-in-JS:** Libraries like styled-components allow writing CSS within JavaScript files.

### 3. Bootstrap

#### ❖ Features:

- **Pre-built Components:** Includes modals, carousels, and navigation bars that speed up development.
- **Grid System:** A flexible grid system for responsive design.
- **Customizable:** Can be customized using Bootstrap's theming and variable settings.

#### ❖ Modern Practices:

- **Bootstrap 5:** Introduces new features and improvements, including removal of jQuery dependency.

### 4. Chrome (Google Chrome)

#### ❖ Developer Tools:

- **Element Inspector:** Inspect and modify HTML and CSS in real-time.
- **JavaScript Console:** Execute and debug JavaScript code.
- **Performance Tools:** Analyze and optimize website performance.

#### ❖ Extensions:

- **Web Development Extensions:** Tools like Web Developer, Lighthouse, and React Developer Tools enhance productivity.

### 5. MySQL

#### ❖ Features:

- **Scalability:** Handles large databases and high-volume transactions.
- **Replication:** Supports data replication and clustering for high availability.
- **Security:** Provides robust security features, including user authentication and access control.

#### ❖ Common Uses:

- **E-commerce Platforms:** Stores product and customer data.
- **Content Management Systems:** Powers the backend of popular CMS platforms.

## 6. JavaScript

# JavaScript

### ❖ Features:

- **Event-Driven:** Handles events like clicks and form submissions.
- **Asynchronous Programming:** Supports asynchronous operations with Promises and async/await.
- **Manipulation:** Directly manipulates the DOM and updates web content dynamically.

### ❖ Modern Practices:

- **ES6+:** Introduces new syntax and features such as arrow functions, classes, and modules.
- **Frameworks:** Utilizes frameworks like React, Vue, and Angular for building complex applications.

### 7. jQuery

#### ❖ Features:

- **DOM Manipulation:** Simplifies selecting and modifying HTML elements.
- **Event Handling:** Provides an easy way to manage events and interactions.
- **Animation Effects:** Supports simple animations and transitions.

#### ❖ Modern Practices:

- **Usage Decline:** While still useful, jQuery is less commonly used with the rise of modern JavaScript frameworks like React and Vue.

### 8. AJAX (Asynchronous JavaScript and XML)

#### ❖ Features:

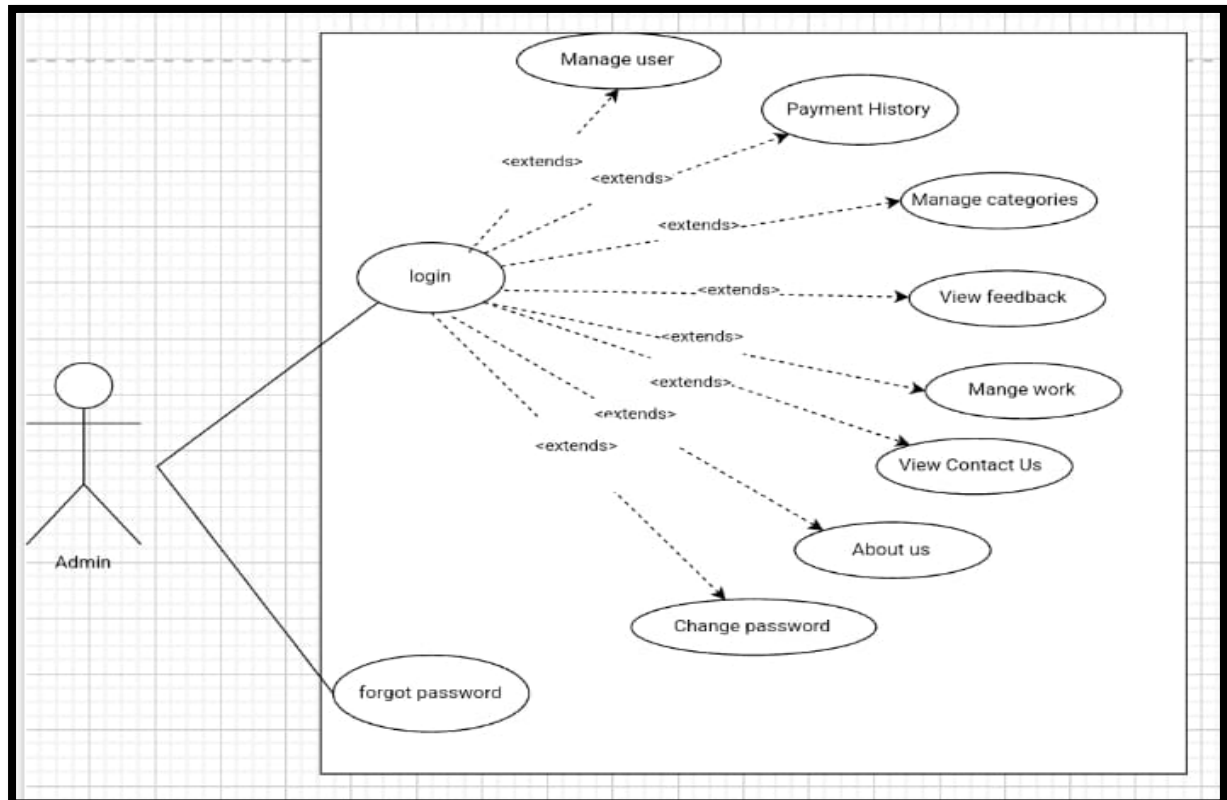

- **Asynchronous Communication:** Updates parts of the page without reloading.
- **Reduced Server Traffic:** Sends only necessary data.
- **Improved User Experience:** Provides smoother interactions.
- **Platform-Independent:** Works with various server technologies.
- **Enhanced Performance:** Faster and more interactive pages.

#### ❖ Modern Practices:

- **Fetch API:** Replaces XMLHttpRequest for simpler syntax.
- **Async/Await:** Makes asynchronous code easier to write
- **JSON over XML:** Lightweight and easier to work with.

**We're Creative**  
We're creative in crafting innovative solutions that inspire positive change and meaningful impact.

**Highly Customizable**  
Our platform is highly customizable, allowing users to tailor their experience and support causes in ways that matter most to them.

**Efficient 24/7 support**  
We provide efficient 24/7 support to ensure seamless assistance whenever needed.

### Our Mission

Our mission is to empower individuals and organizations by providing a reliable platform for charitable giving. We aim to streamline the donation process, making it easy for anyone to support causes they are passionate about. Through transparency and accountability, we ensure that every contribution is used effectively to create real change. We are committed to fostering a sense of community and collaboration among donors, volunteers, and beneficiaries. By driving social impact, we hope to inspire a new generation of philanthropy and make a difference in the world.

### Our Vision

Our vision is to build a trusted and accessible platform where people can make a difference through their donations. We aim to connect generous individuals with impactful causes, ensuring that every contribution reaches those who need it most.

Transparency and accountability are at the heart of our mission, fostering trust within our community of donors. By leveraging cutting-edge technology, we strive to make the donation process seamless and efficient. Together, we believe we can create a lasting positive impact on the world.

## 14. About Us

### About Us

We are a non-profit organization dedicated to supporting various causes through crowdfunding and donations. Our mission is to connect generous donors with impactful projects, ensuring that every contribution makes a difference.

### Our Mission

Our mission is to empower individuals and communities by providing financial support to those in need. We aim to create a transparent platform where donors can easily contribute and track their impact.

### Why Donate?

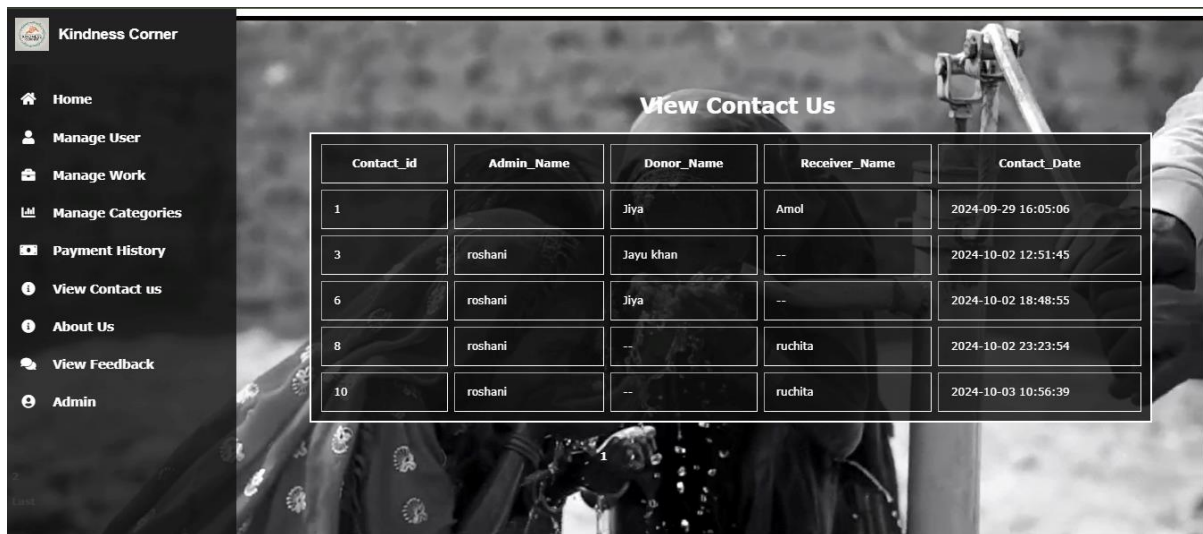

Donations help us fund a variety of projects, including education, healthcare, and community development initiatives. Your support enables us to reach more people and create lasting change.

### Our Values

- Transparency: We provide clear and detailed reports on how donations are used.
- Integrity: We ensure that all donations are allocated responsibly and effectively.
- Compassion: We care deeply about the causes we support and the people we help.

## 3. Manage profile (Edit)

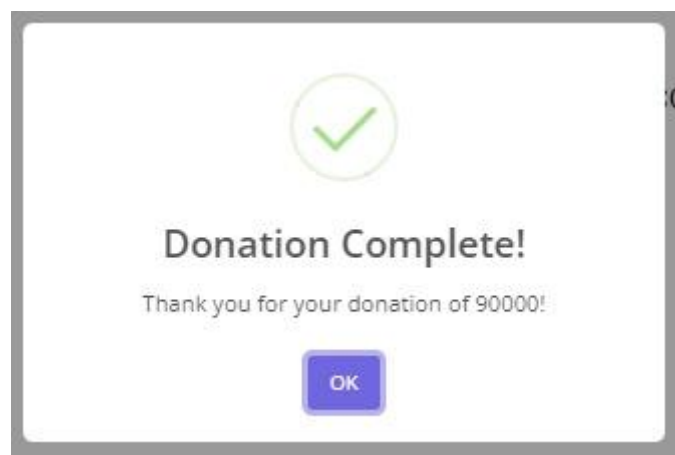

The screenshot shows the 'Update Profile' form on the Kindness Corner website. The form is titled 'Update Profile' and contains several input fields. The first field contains 'Jayu khan'. The second field contains 'jayukhan27289@gmail.com'. The third field contains '90678956784'. The fourth field contains 'kotak mahindra'. The fifth field contains 'kot567856789'. The sixth field contains 'favorit person'. The seventh field contains 'mom'. At the bottom of the form is a green 'Submit' button. The website header is visible at the top, showing the 'Kindness Corner' logo and navigation menu.
